

Wood Products Maintenance

aaline

FSC-CERTIFIED HARDWOOD

GENERAL MAINTENANCE

Dust + Debris | While the fixture is off, use a damp microfibre cloth to gently wipe the wood with the grain to remove dust and debris. Use a dry microfibre cloth to dry the wood with the grain afterwards to prevent water spots and dullness.

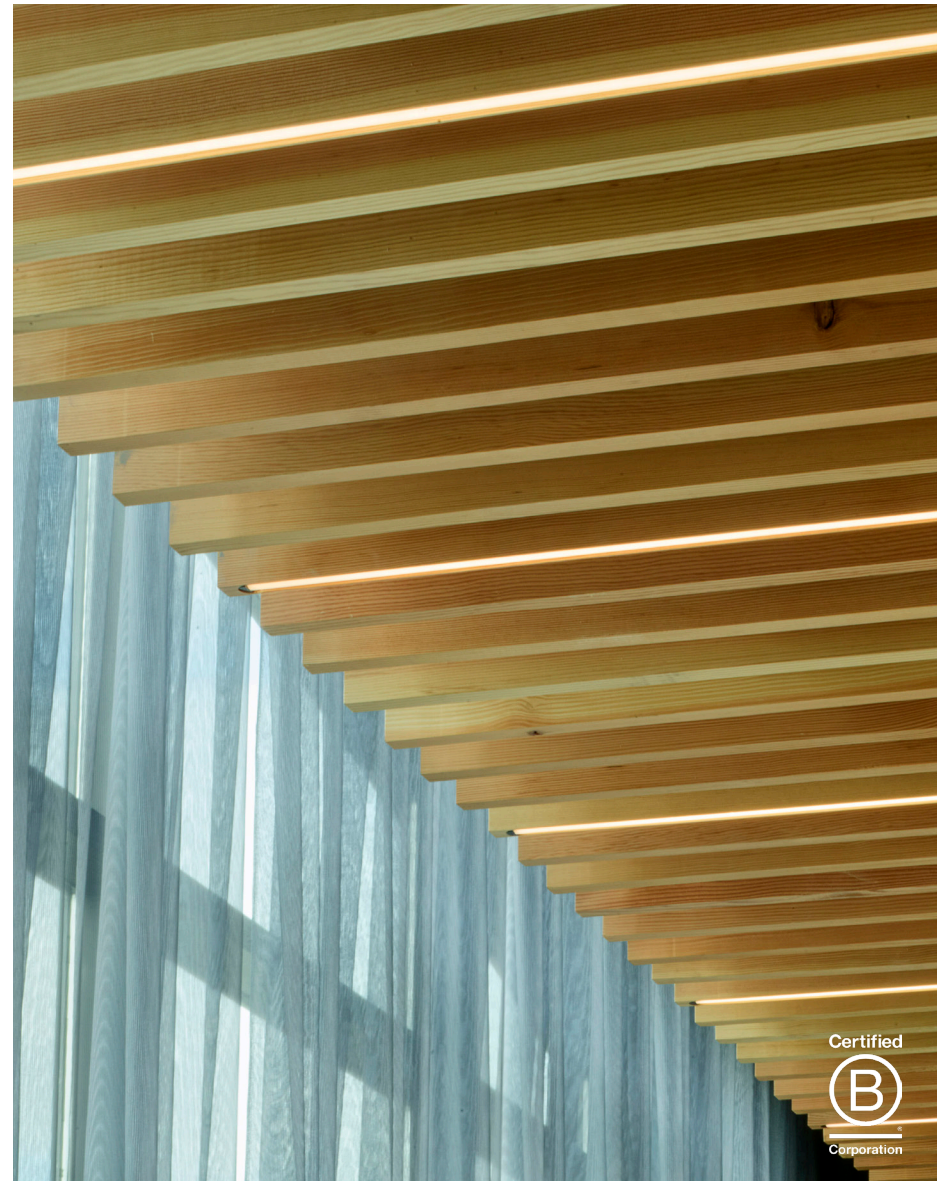

HELPFUL TIPS

Avoid Chemical Cleaners | The use of chemical cleaners on **aaline's** fixtures is strongly discouraged.

Avoid Direct Sunlight | It is recommended to place fixtures away from direct sunlight and extreme temperature changes (radiators, air vents, etc.) if possible.

AALINE IS NOT RESPONSIBLE FOR:

- Any costs related to installation, re-installation, removal or repair by anyone except **aaline's** technical team.
- Damage caused by improper installation or assembly by the customer or a related third party.
- Damage caused by exposure to weather or improper environment.
- Damage caused by improper cleaning solutions or methods.
- Any change in appearance or patina caused by natural wear.
