

Echo Sconce Capsule

Echo Sconce Capsule | EC-SC-CAP-S-30-R-010-ASH-CFST-F382 | White Ash with Pebble Grey Felt [Discontinued Size]

aaline's Echo Sconce light is designed to provide a natural soft touch for modern environments. The sconce features an array of all-natural felt strips and CNC carved channels to help balance the sound in the room while providing a smooth ambient wall wash illumination.

Made with 100% natural materials and finishes, **aaline's** acoustic system is compatible with Living Building Challenge standards and requirements. The acoustic modules are made with Class A, (ASTM E84) fire rated felt and Class A treatment for the wooden components is also available.
