NOTE: To be installed by a certified electrician based on the codes of the region of installation. To comply with electrical code. A licensed electrician can install as appropriate.

1. Have a certified electrician connect the power and control wires using appropriate wire-couplers from the LW-EB-FO-FM Fixture to the Junction Box.
2. Align the fixture as desired using the Universal Crossbar and the mounting holes from the 5" Canopy Plate pre-attached to the fixture as a reference.
3. Fasten the Universal Crossbar to the Junction Box using 2x #8-32 Screws.
4. Fasten the 5" Canopy Plate to the Universal Crossbar using 2x #8-32 Thumb Screws, securing the fixture.
